Steady-State Probability Distribution find in 110 Process And is :

ans =

    0.495412844036697   0.197247706422018   0.128440366972477   0.178899082568807

ans =

     1
